SUPPLEMENTAL RESPONSE TO OFFICE ACTION WITH REQUEST FOR CONTINUED PROSECUTION

Sir:

This is a supplemental response to final rejection to which applicant has filed a request for continued prosecution. It is filed after the PTO called the failure to add "(Newly Presented)" to claims 10 and 21 to counsel's attention. Except for the addition of add "(Newly Presented)" to claims 10 and 21, this supplemental response is identical to the one file October 3, 2005.

This response does not amend the specification.

The amendments to the claims begin on page 2.

Remarks begin on page 7.
